

Anglers United Newsletter

March 2024

Angler's Newsletter, March, 2024

Greetings fellow Anglers! It's not spring yet but close here in Lake Havasu. The biggest news I have for you is the success of our Christmas Tree donation. This year we were fortunate to have our annual event advertised by our local radio station and newspaper. In total we received 342 trees and ALL of them have been placed in the lake as habitat. Rachel Wirick, the Fisheries Biologist for BLM designed where we would place them. She's also getting the word out to local landscapers that Partner's Point is back in business for their bundles. Partner's Point will be open for their bundles Monday and Tuesdays from 8:30am until noon. Anglers and other volunteers will also be there on Thursdays to load the brush boat and start building more habitat. We're just getting started on this so we'll see how that works out. As in years before, when things really heat up this summer, we'll call a pause until the Fall.

The other news is that Anglers is still planning to participate in the annual Striper Derby, May 4-5 down at the Riviera Marina. We're ALWAYS looking for volunteers for help with the "50/50" and T-shirt sales. This is our biggest money maker event of the year and there's ALWAYS lots of donated fish for your freezers!

We'll keep you up to speed on other future events. Have a great Spring and Summer!

Conrad Berdon

Calling All Volunteers

By the way, as many of you know, Partner's Point is back in business (kinda). Expecting a slow start. Mondays and Tuesdays 8:30 to 12:00 for landscapers with Anglers and other volunteers hanging around to bundle. Thursdays will be reserved for placing the habitat into the lake.

Remember the
fun working
together

Loading bush boat

From the Vice Presidents Desk

It feels pretty great to be putting habitat into the Lake once again. I always enjoyed going to Partners Point and helping with the bundles, meeting some of the landscapers and getting better acquainted with fellow anglers.

Please consider volunteering once or twice a week or month if you can, or go check it out you may find it is rewarding in more ways than one especially if you are a fisherperson. For more information check with Conrad 303-594-1648 or email atripledriver@gmail.com

I'm still working on getting a picnic organized, will keep you posted on that.

Bye for now

Marilyn
