

Anglers United Newsletter

January 2025

Hello, Everyone!

We're in a New Year and we already have two of our Fishing Seminars behind us and I'm happy to announce they were a big success. A lot of good information from Don Allen and Nick Young and on February 18 at 6:30 pm we have Glen Levison talking about Redear. A big THANK YOU to those guides who are the top of the top.

On February 19 Anglers Board is having a board meeting and anyone who wants to attend—may. The room is at the LHC Library in the conference room and is limited to 15 people (there are 5 board members)

On Friday, March 21st, we have our Angler's United Picnic at Ramada "A" at Rotary Community Park. We look forward to seeing everyone as we'll get started at 11am"ish". Burgers and Dogs and other foods and typically, other members bring chili, potato salad and other goodies to share with all. We'll also have fun "door prizes" as well as our own 50-50 drawing. Anglers will supply water but if you want "higher octane" drinks please make sure they are in cans and not glass. Bring your own chairs.

That's it for now. Talk to you soon

From the Vice Presidents Desk

Here's hoping everyone is having a happy 2025 and looking forward to the rest of the new year.

We are going to have a picnic, and I am busy shopping for door prizes , my favorite thing to do is shopping whether I'm spending my money or Anglers. I will send a flyer a few weeks before the picnic to inform everyone of the details. I hope the date we picked will bring a nice warm non - windy day, it will be a good time in any case.

I am happy the fishing seminars have brought new members and I hope to have the opportunity to meet the new members and to see our current members and friends.

HAPPY VALENTINES DAY
