

Anglers United Newsletter June 2025

Howdy, Everyone! From the warm desert to you we thought we'd give you an update on some of our Spring activities. The Western Outdoor News Striper Derby was a complete success with many "anglers" taking home a boat load of fish in their coolers. Anglers also did a "50-50" raffle that beat the 2024 sales.

After the Striper Derby some Angler members were invited to join in on the Pro Bass tournament later that same week. I took advantage of that as I joined two of the registered contestants for the tournament. I had never done that but I figured I would learn a lot and it didn't cost a thing to go along. Speaking of "along" ... there were two VERY long days being on the water at 5:30am and getting off the water later in the afternoon. In the heat, standing on the back of the boat had its disadvantages. I learned a lot but I was overheated with the temps reaching 100 degrees this days.

Memorial Day is now behind us and as we saw a very good weekend NOT to be on our lake. Very crowded as Memorial Day weekend is the welcoming time for the summer activities.

We'll be taking some time off now but will plan to talk with you again in the Fall!

Conrad

From the Vice Presidents Desk

Wow!! Another successful Western Outdoor News Striper Derby. Anglers United members are the best volunteers I've seen. Thanks to everyone that helped with the weigh-In and especially Lynda Kristoffersen, Jayne Lux and Della Rainer for the GREAT job they did selling raffle tickets Friday at registration and Sunday at the awards ceremony, we out - did last years sales of raffle tickets.

With the desert heat on its way back, our winter members have left for cooler climates and while we understand they have other places to be we will miss them and look forward to their return in the fall.

Anglers donated \$1000.00 to the Sea Scouts (see photo below). Sea Scouts is a great organization for boys and girls helping them to grow and learn.

I hope everyone has a great summer,

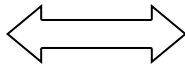

Marilyn
