October 2025

Angler's United, Fall 2025

Hello, everyone!

As we look at the docket for next year some things are yet to be decided on and new things that may come up aren't even known about. Seeing as how we're five or more months away from mirroring last year's schedule anything is possible.

A few of us just participated with help from our local Elks members in Pond Nation's fishing for kids. It all happened at Windsor Beach #4. Friday afternoon was with special kids and Saturday was with kids and their parents. Fishing with the kids took place in large round metal troughs stocked with blue gills with many of the parents taking their kids into the canal for their fishing experience. Arizona Game and Fish helped with the fish and Anderson's Toyota supplied fishing poles and did a lot to make this a success.

Last year at the end of March we participated in the New Horizon's Charity Fishing Tournament by sponsoring a team and Angler's is planning to do the same in 2026. The Charity Fishing Tournament will start with a dinner on the 27th of March with the tournament beginning bright and early on Saturday the 28th with the awards ceremony happening that same afternoon.

In March of last year, Angler's also had our yearly picnic. We were lucky last year as the weather was perfect. And, like last year we have reserved Ramada A for Saturday, April 29, 2026!

Now the big (drum roll) event for Anglers, The Striper Derby! I've talked with Billy Egan and this year's Derby is a repeat from last year... the first weekend in May ... 2nd and 3rd!

Fishing Seminars: yes, we're still planning on doing those again and yes, Jim Hatter will be at the helm. Too far out to schedule but y'all will know right after we do.

As for Partner's Point ... for the time being everything is on hold for the brush program and has been for some time. As for an exact start up time, no word yet.

That's about it for now. We'll be getting more info to you as we get closer to the events. Feel free to let us know what's on your mind for this winter and spring.

Conrad

From the Vice Presidents Desk

We made it through another summer, and right now we have the perfect weather. I'd say I wish it could be like this all year, but I don't want to waste a wish—so I'll just enjoy the perfect weather while it lasts.

It's hard to believe this year is so close to the end. Soon we'll be putting up the Christmas tree and shopping for Christmas gifts.

Although Anglers United can't get back to Partners Point to make habitat, we're still having our Wednesday morning coffee at McDonald's 8:30am on Swanson. So come on by and stay informed about what's happening.

Have a Happy Halloween—and don't eat too much candy!

HAPPY HALLOWEEN
