

Anglers United Newsletter Marh 2026

Hello everyone. Are we warming up or what??!! In a week Anglers picnic is taking place and Marilyn has the big scoop to follow!

Everything is still on for the New Horizon's fishing tournament over the March 27th and 28th weekend. They always have a great turnout and always for a good cause. It just so happens that our picnic is on the same Saturday but they won't interfere with each other.

April will be heating up along with the summer temps and May is just around the corner with the Striper Derby! This year the derby is happening at the Nautical Resort as it did last year over the first weekend in May, the 2nd and 3rd and it's always a good time to catch up on your supply of donated striped bass. Anglers will be there in force as we sell tee shirts and help with the weigh ins. The weigh I s give you a chance to talk to the fishermen on what they caught, how and some will even tell you where (the LAKE! Hahaha). You can check out all the info on 2026 Western Outdoor News on the internet.

June brings the really hot temps to our city and some of us retreat to cooler temps.
