

## Anglers United Newsletter May 2026

Hello fellow Anglers!

This past weekend some members of Anglers helped Western Outdoor News with their Striper Derby. Weather was perfect although ending on the warm side. As usual, many of you brought ice chests for the donated fish. In total roughly 400 fish were taken home by Anglers 400 "WOW"

Over the time of registration and the Rewards Ceremony, Marilyn and her "Army" of Peggy and Della sold a BUNCH of 50/50 raffle tickets that brought a bunch of \$ to Anglers AND three Striper fisherman. Our thanks to the ladies for their hard work!

As we slowly get into our warmer season things will be winding down for the Angler's troops. We'll look forward to reporting in as we get into the winter months.

Have a story or something you want to talk about? Let us know.

## From the Vice Presidents Desk

**Summer is here again and our winter visitors are leaving us once more for cooler places. A lot has happened since the fall when everyone came back to Havasu, we have seen three successful fish seminars, lots of habitat has been placed in the lake, we have had a picnic with a lot of yummy food and participated in another W.O.N. striper derby thanks to our members. With the fish seminars we gained several new members gained weight at the picnic and earned \$\$\$'s from the Striper derby.**

**Have a wonderful 4<sup>th</sup> of July and a safe summer.**
