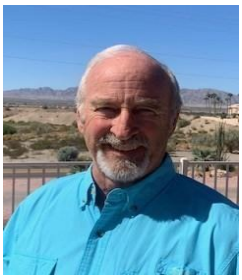
Anglers United Newsletter October 2026



Fall Edition, 2026
Anglers United Newsletter

Hello fellow Anglers members! It's Fall here in Arizona and the temps are on their way down. Today alone is forecast to be 80 degrees! Which brings up what we're planning this year. First of all, our Wednesday morning "coffee" gathering at McDonalds here in Havasu are moving to Thursdays at 0830. If you can make it, we'd love to see you. Fishing Seminars …….. Scott Brown is taking over for Jim Hatter, who's done a great job in the past organizing the local Professional Guides that'll be doing this. We're still planning to do all of this at our local library here in Havasu. We don't have exact dates yet but plan on January and February for sure. We're also on que to attend the New Horizons fishing tournament. In years past Anglers have sponsored Jovie and Russ Nievar to participate and they've consented to participate again in 2027. Anglers is also planning to have our annual picnic. We don't have a date yet, but Marilyn will let us know when she plans to put it on. Western Outdoor News is again planning to do their Striper Derby on the first weekend in May (May 1st & 2nd) and yes, as we get closer there will be a lot more info we put out. Heck, we're still six months away from all of this!

We hope you've had a great summer and look forward to seeing y'all.

Just to remind you … coffee with anglers folks will be on Thursdays at McDees at 8:30 from now on. Obviously, this doesn't preclude anyone from going Wednesdays and at other days of the week.

Take Care! Conrad
